

Jean-Michel Basquiat, Untitled, 1983

ACTION
+ REACTION

The artwork features the words 'ACTION' and 'REACTION' in a vibrant pink, hand-drawn, blocky font. The word 'ACTION' is positioned on the top line and is enclosed within a hand-drawn black oval. The word 'REACTION' is on the bottom line, with a small '+' sign between the two words. The letters 'E' and 'A' in 'REACTION' are stylized with loops and curves. The word 'REACTION' is underlined with a single black stroke. The overall style is expressive and characteristic of Basquiat's work.

Action – Reaction

Many artists work together, act and react to each other, not only in the street art scene. Jean-Michel Basquiat and Andy Warhol also worked together for a while.

- ▷ Form groups of three or four.
- ▷ Act and react:
Put tags, signs, symbols, letters, messages on black lengths of fabric. React to the others' tags, highlight, underline or cross out without deleting.
- ▷ Conclusion: Make a triptych from three lengths of fabric.
